

## RPV'S TRASH COLLECTION DAYS

The City of Rancho Palos Verdes is divided into different service areas. Each area has once a week trash, recycling and green waste collection. All material are collected on the same day, but by three separate trucks.

**EDCO** services 95% of the City, and operates Monday through Friday. Call EDCO customer service at 310-540-2977 or check EDCO website at: [www.rpvrecycles.com](http://www.rpvrecycles.com)

**Universal Waste Systems (UWS)** services 5% of the City. UWS services primarily the Palos Verdes Drive South (PVDS) area and the Portuguese Bend Landslide areas of the City. UWS operates on Thursdays. Call UWS customer service at 800-631-7016.

Place trash in the gray, recycling in the blue, and yard waste in the green colored carts. Avoid contaminating, by not mixing trash with recycling material. If you need additional trash or recycling carts, please call your hauler.
